

05/29/2020

Dear Residents, Families, and Friends,

As the country continues to progress through the coronavirus (COVID-19) pandemic, we are continuing to adapt to provide a comfortable environment while attempting to limit the spread of the virus.

As of 5/29/2020, I am pleased to report that there are no additional Paramount Senior Living communities with confirmed or presumptive positive resident or employee cases of COVID-19. Our senior living campuses in Westerville, Ohio and Fayetteville, Pennsylvania remain the only locations with COVID and I am pleased to report that we are cautiously optimistic that our containment efforts are proving successful.

We are ending our “Merry Month of May” celebration to honor our hardworking employees with an all staff appreciation today, May 29th. All of our staff are heroes that have shown unwavering dedication and care to our residents, which we are extremely thankful for as May comes to an end. We would like to especially recognize those working at our Westerville and Fayetteville senior living campuses for their ongoing commitment.

We are still working on a plan to slowly ease back into a sense of normalcy within our Paramount Senior Living communities. We are following state guidelines as well as Centers for Medicare and Medicaid Services (CMS) guidelines on senior care facilities in order to reopen safely and effectively. In general, the guidelines recommend at least a 14-day lag in the statewide reopening in order for senior care facilities such as Paramount Senior Living to monitor community spread during the initial phase of community reopening.

We understand that it is very difficult not to be able to visit your loved ones, but please remember that visitation of families and non-medically necessary personnel to senior living residences still remains prohibited, including outdoors. Please be aware that unapproved, premature visitation of family members could cause setbacks and unintended consequences for all residents and families in regards to the spread of COVID-19. We ask that you remain respectful of the guidelines as we’re all in this together!

We appreciate your cooperation and communication as all of us continue to battle COVID-19. If you have further questions, please reach out to your Executive Director.
